*Please note, if your child is funded, and is all year round, the funding is stretched so they will receive 11/22 hours per week rather than 15/30 hours. You must confirm eligibility for the funding code every 3 months for working 2 year olds and 30 hours funding. Food becomes an additional cost when your child becomes funded. Funding commences the term after you become eligible, for example, if your child turns 3 in November, you will receive 3-year-old funding from January.
